ENVIRONMENTAL & SUSTAINABILITY POLICY STATEMENT

CC Cousins Ltd is committed to its responsibility to achieve environmental and social sustainability for the provision of facility solutions within the property industry and holds UKAS **ISO 14001** acknowledging a recognized Environmental Management System.

CC Cousins Ltd strives to optimize its business processes for successful growth and development while minimizing the negative impacts of social, environmental and economic responsibilities.

Methods of sustainability:

- *Pro-actively ensuring long term viability and integrity*
- *Optimizing resource needs*
- *Reducing environmental, energy and social impacts*
- *Reduction of consumable requirements*
- *Management of the above without compromising quality, competitiveness or profitability*

Principles:

- *To comply with and exceed, where practicable, all applicable legislation, regulations and codes of practice.*
- *To integrate sustainability considerations into all business decisions.*
- *To ensure all staff are fully aware of our Sustainability Policy and show a commitment to implementing and improving it.*
- *To minimize the impact on sustainability by optimizing all office, site and transportation processes.*
- *To make clients and suppliers aware of our Sustainability Policy and encourage them to adopt sound sustainable management practices.*
- *To continually monitor and review our commitment to implementing sustainable business solutions.*

We have appointed Keith Alflatt - Managing Director as the Sustainability Coordinator, who has overall responsibility for ensuring ongoing environmental performance, identification of environmental risks, recording and monitoring of impacts and implementing environmental and social sustainability measures.

Special consideration will be given to employing local staff and wherever efficient and environmentally sustainable, products and services will be sourced locally.

NOTE: This policy is a public document to be on display, a copy may be given to anyone. The organization invites staff, clients, guests and the community to suggest ways to further achieve best practice in environmental and social sustainability.

This policy will be reviewed by the end of March each year.
